ONCE-WEEKLY SOGROYA®

UNLEASH THEIR POTENTIAL^{1,a}

Sogroya® is a once-weekly growth hormone therapy for your paediatric patients with growth hormone deficiency, that offers efficacy and safety comparable to once-daily GH treatment,¹ in a familiar patient-friendly device.^{2,3} Sogroya® is taken once a week, any day, at any time of the day.¹

^aTheir potential for a better quality of life.
