WELCOME MESSAGE

Dear Professors, Doctors and Guests,

We are Delighted to announce the 2nd Riyadh Conference on pediatrics endocrinology & diabetes on 24 -25 April 2026 at Crowne Plaza Riyadh RDC, Riyadh – KSA.

The scientific program focuses on common endocrinopathies in the region delivered by international and regional experts through different formats. We will have plenary lectures, symposia, debates, workshops, oral abstract communications, poster sessions and meet the expert sessions. On completion, the participant will have an enhanced understanding of a contemporary approach to clinical and basic pediatric endocrinology.

We invite anyone with interest in endocrinology and diabetes in children, adolescents and young adults to attend and submit their abstracts to compete for the best oral and poster presentations.

In addition to professional development and earn CME credits, delegates will have a great time networking and exploring the culture of KSA. We welcome you all to the 2nd Riyadh Conference on pediatric endocrinology & diabetes

Sincerely,

Conference President
